

VVC EVENT PRICING STRUCTURE AS AGREED BY COMMITTEE DEC 2011.

That for the future our general aim should be that at least one rally per year should be open and that this should be a field rally.

Payment Facilities:

Member's only rallies should always be pre-booked and pre-paid.

Members attending open rallies should be encouraged to pre-book (Meals pre-booked only)

Wrist bands will continue to be used to identify rally payment & meals paid.

Pricing:

- Standard entry fee per head of £10 for weekend (Family Member Free)
 - Camping then £5 per head for weekend, max £10 per unit
 - Non members £5 extra for Day/Weekend VVC membership with option to pay £15 for 1 yr membership with free rally entry, plus any camping fee as above.
 - Any payment made on the day £2 per head supplement
1. Discretion: To charge any person not on a scooter £5 for the day to enter the site.
 2. Pricing for all events to follow the above principles. For closed events with accommodation charges then fees and meal charges to be set so as to cover VVC costs without profit. Ideally we should keep the above charges the same for all rallies and adjust the ancillary costs.
 3. We prepare a sign at the entrance to the site of an open rally which says ***YOU ARE WELCOME TO JOIN US FOR THE WEEKEND for £15 (£10 entry and £5 temporary membership fee) or join the VVC FOR 12 MONTHS for £15, AND ENJOY THE RALLY THIS WEEKEND FREE.***
