

Veteran Vespa Club General Data Protection compliance.

Data Collection

As a member we will ask you to provide some data about yourself.

Some fields are required as these enable us to communicate with you, these include Name, Address, and date of joining, other fields such as email and telephone numbers are optional.

The data is stored on a secure server at <https://membermojo.co.uk/vvc/membership>

The MembershipMojo organisation have provided the club with a detailed statement as to how the system complies with the Data Protection Regulations

The following club officials have access to this data:

- Club Membership Secretary
- Club Treasurer
- Club Web Manager
- Club Chairman

How we use the data

The data provided enables us to communicate with you this may be in the form of email, or post if email is not available.

These emails are generated directly from the above web sever and your data is not downloaded (exception below), although these can be group emails no other member will see your address.

The data is downloaded by the membership secretary at the time a club journal is being produced. Only your Name and address is extracted from this data and forwarded to the printer.

This downloaded data is not stored on a personal computer hard drive

Your Rights

You have the right to be removed from the database, this could affect your membership.

You can log onto the membership site yourself (see web site guide) this enables you to see what data we have stored, this should only be data you have provided

You can also change your data anytime during your membership, such as if you move house or change your email address, only you and the Administrators have access to your data for these purposes.

Consent

The privacy of your data is important to us. Under GDPR we require your consent to keep and maintain personal data. If you do not wish your data to be used as above please contact the club, otherwise we will assume consent.
